FOR IMMEDIATE RELEASE

Date:-Friday, 23 April 2010

Media Pack 2 released for Golem Crusades.

As Golem Crusades fast approaches playable demo, a set of screenshots have been released at <http://www.golemcrusades.com/GolemCrusadesMediaPack2.zip>. This material is not watermarked and may be freely reproduced.

About Golem Crusades

Hasrinaxx the Druid yet again takes on the evil forces of Acamantor. He returns to reclaim Belorn in a budget 'Arcade RTS', which combines the non-stop pressure of blasting action, combined with the mental agility required to utilise the land to build and launch an army of Golems.

See the website for more information: <http://www.golemcrusades.com>

About Drop Spider Games

Drop Spider Games was founded by Andrew Bailey in 2009. He has 27 years of experience in the video game industry spanning back to the 8 bit era of the Commodore 64 and ZX Spectrum. He has seen games develop all the way from there, through 16 bit consoles, the PC and to now, current hardware.
